On the Horizon...

As previously communicated, we are in the process of implementing a Security Access System with electronic access cards and cameras to our Pool/Spa and Fitness Center facilities. Once the installation is complete, your gate keys will no longer work. Access to these amenities will be by access card only. Detailed information will be distributed shortly. IN BRIEF....

Access cards may be:

- Picked up at the Clubhouse (dates to be announced)
 1. By Unit Owner
 2. By your authorized representative
- Held for future pickup

You will be able to indicate your preference on the Access Card Request Form to be provided. Be advised that you or your authorized representative will be required to provide proper identification and sign to receive your access card.

Unit owners will be issued a card with a specific code number that is assigned to their Unit. The security system logs each time an owner/resident swipes into or out of a gate or door. DO NOT let anyone else use your card as this information may be pulled from the system for security reasons or if problems arise. Only owners who have paid their dues in full and are not in violation of community CC&R's will be issued an access card.

Note: Pool/Spa/Fitness Center facilities are CLOSED 11:00 pm to 5:00 am
Gates will be programmed to lock and remain locked during closed hours. Unauthorized access outside of normal pool hours, jumping gates, misuse of card or violation of pool/spa/fitness center rules will result in deactivation of access card, loss of use privileges and/or fine.

We appreciate your patience as we work to ensure the safety and comfort of our community
